Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Chester Farmworker Housing Project in fiscal year 2024. The entity to receive funding for this project is the NDC Housing and Economic Development Corporation, located at 633 Third Avenue, Suite 1900, New York, New York 10017. This funding would be used to create housing units for farmers and farmworkers in the area. This center is a good use of taxpayer dollars because aims to help grow an equitable and inclusive regional food system.

This project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5035(a)(4).

I certify that I have no financial interest in this project, and neither does anyone else in my immediate family.

Sincerely,

Patrick K. Ryan  
Member of Congress
